A PHOTOGRAPHIC JOURNEY THROUGH

Bali

Rob and Sarah, better known as Tripsea Travellers, jetted off to Bali's Nirjhara a luxury eco-haven that aims to connect visitors with genuine Balinese culture and its stunning natural landscapes.

CLOCKWISE FROM TOP LEFT: the treehouse accommodations from above; the green walking trails; the resort is in lush surrounds; natural water features. And the dramatic pool (centre). **OPPOSITE:** the resort merges contemporary architecture with local influences.
